VITAL Conversation

Vital Conversation Follow-Up

Thank you for being part of Bowen Island's **Vital** Conversation on Saturday. Your presence and your thoughts are gifts to our community, and they are deeply appreciated.

Before the experience fades, we hope you will take a moment or two to reflect on the morning, and provide some feedback. The questions below are there to help you frame your observations. If you would prefer to give feedback in a different way, please do.

- 1. Was the morning worthwhile for you personally? Why?**
- 2. If more conversations were to be organized, would you recommend them to others? Would you want to attend?**
- 3. What could have been done differently to make the morning better for you?**
- 4. Was there anything that you would have liked to say but didn't get an opportunity? Please tell us.**
- 5. Any other general comments?**

We look forward to your feedback. Work has already begun on the report.

With best wishes

Kathy Bellringer & Joyce Ganong, Co-Chairs
