

APPLICATION FOR BICF RESILIENCY GRANT

- Projects must have a broad-based community impact in one of the following priority areas:
 - The availability of food, hygiene, or other basic needs (excluding housing and income benefits).
 - The provision of relevant information to promote resiliency and mitigate fear and confusion.
 - The mobilization of citizens to assist their vulnerable neighbours with the challenges they are facing from isolation.

The above are all areas where there is a gap in government assistance and other relief programs.

- Complete and submit this page plus provide a maximum 500-word project synopsis including anticipated community impact and project budget.
- Applications for grants of up to \$15,000 are welcome, however, larger budgets will be considered depending on the community impact.
- Email application to ResiliencyFund@bowenfoundation.com with **Resiliency Grant** in the subject line.
