

Project Story: Eaglecliff Neighbourhood Beach Party

Shelley Koke

Fifty neighbours joined together on Eaglecliff Beach August 10, 2024, for pizza, soft drinks, cookies, potluck items and chips, games, fishing derby and swimming. The weather was stellar with lots of sun and many people were inspired to cool off with a dip in between the fun and festivities.

Long time summer residents, fulltime residents and newcomers mingled on the beach and enjoyed pizza supplied at a generous discount by Glenn and Meredith Cormier, neighbours, and business owners. There were plenty of cool drinks to go around, accompanied by chips, and other delicious snacks and desserts.

Small Grants
Bowen Island

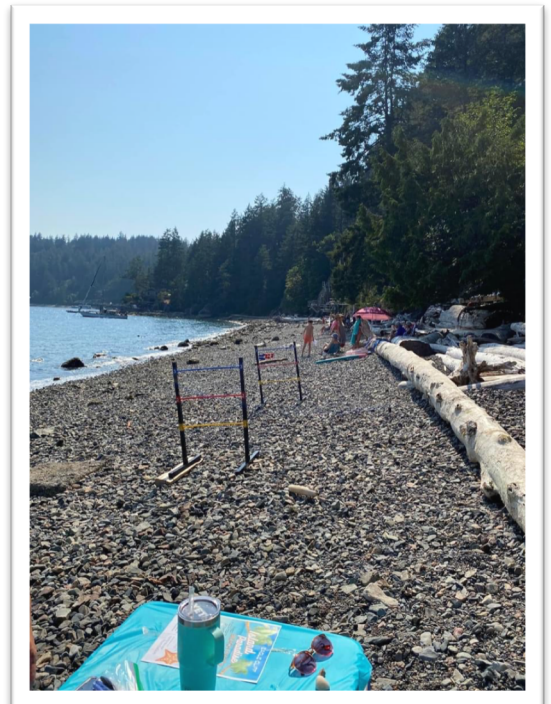

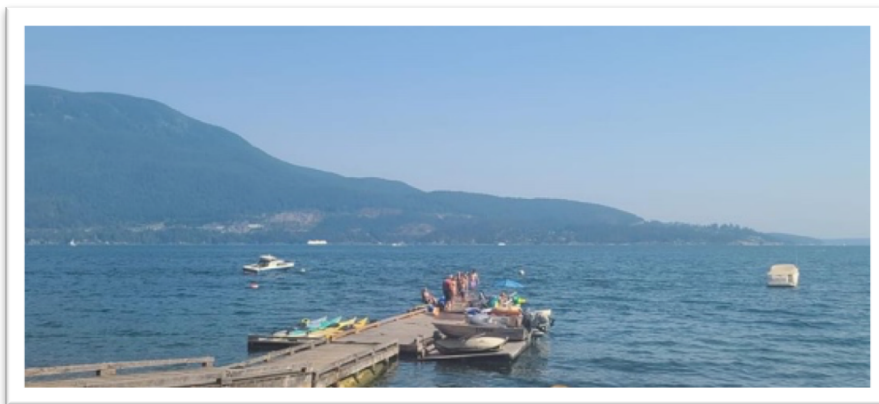

Many members of the Eaglecliff Community Association pulled together to help organize the event and get the tables and items to and from the beach. Residents with small vehicles and golf carts were vital in ferrying food, prizes for the games and fishing derby, and some members up and down the steep hill to the beach. Tara ran the children and adult games in addition to purchasing drinks, Jeff ran out for the pizza and prizes, Sam ran the fishing derby, and we worked together promoting the event and getting the word out

through Facebook and posters throughout the neighbourhood.

Folks attending the event ranged in age from 6 years old to 80+ and a good time was had by all. People met their neighbours for the first time, some renewed old acquaintances, but the weather was picture perfect and there was a good turnout.
