All 28 action items have either been addressed or are a work-in-progress. 	

1 Report from the Chair	 Soren reported that: Presentations to BIM Council about Vital Conversations Report (VC) and Maggie Cumming Committee are scheduled for October 14 Presentation to BIM Economic Development Committee about VCR is scheduled for week of Oct 7 He will be meeting with the Community Medical Clinic Society about their request for BICF involvement in their fundraising for a medical clinic operating 	
	fund Decision #2014-37: BICF cannot be involved with fundraising by the Medical Clinic Society d. Action #2014-22 (i.e. Formalize Directors' terms, duties and responsibilities) is a work-in-progress by Soren and will be presented/reviewed in segment over several meetings	

	TOPIC	DISCUSSION HIGHLIGHTS / DIRECTION & DECISIONS	ACTIONS
1	Report from the Chair (cont'd)	e. Meetings with major donors are ongoing f. In the upcoming municipal election, be sensitive to potential conflicts when representing BICF	
2	Financial Report	 Kristen reported that there is no material change in the financial situation and all activities are within budget. Refer to Attachment B, Kristen asked that the operations fund be merged with the Community Impact Fund, as money in both funds is overseen by the BICF Board and this would simplify the accounting process. Decision #2014-38: Revert to the previous system and merge the operations fund with the Community Impact Fund (Moved by Soren & Seconded by Kathy) 	
3	Bowen Island Gives	Jennifer reported that an additional \$750 contribution will be forthcoming	
4	Grants Committee	 Andrea reported that the community is responding to the Call for Proposals. BICF has made a public commitment to grant \$25K in 2014. Refer to Attachment C. Soren highlighted the need to address the sustainability of grants from year-to-year. In some previous years, there have been no funds to grant. In 2014, BICF is granting 100% of the donations received in 2013. Achieving "sustainability" would involve allocating a proportion of annual donations to an endowed fund that can then grow over time and thereby contribute an annual return-on-investment for granting purposes Decision #2014-39: In January 2015, develop a policy for achieving sustainability by establishing a balance between annual granting and growth of endowed funds. 	
5	Newsletter and Mail Chimp	Julia reported that the first e-newsletter was well-received. BICF now has a electronic database that can be easily maintained and expanded.	
6	Donor Services Committee	Soren reported the following change of names: Caring Community Fund is now the Community Impact Fund Community Chest Fund is now the Helping Hand Fund	

	TOPIC	DISCUSSION HIGHLIGHTS / DIRECTION & DECISIONS	ACTIONS

The campaign goal is \$100,000 and there will be a "thermometer" on the website Soren also initiated a discussion about an appropriate way to recognize "significant donors" so that they have an ongoing connection with BICF. Other CFs, including WVCF, do this. Decision #2014-40: Create a Donor's Circle that would be by invitation, and with an expectation that donors would make an ongoing minimum annual contribution of \$10,000 	
1	outh ommittee	 Soren initiated a discussion about the desirability of fostering a youth presence while mentoring skill sets of community involvement, ethical practise, creation of vision and presentation, and good governance. Decision #2014-41: Explore whether and how to form a Youth Committee, with consideration given to structure, composition, invitation or application, age and a "voice" on any youth initiatives or grants. MEMO TO: Bowen Island Community Foundation Board of Directors

MEMO FROM: Kristen Watson, Treasurer

RE: YTD Financial Statements @ September 30, 2014

DATE: September 30, 2014

Revenues:

Year to date revenues received are recorded on the "Statement of Operations and Changes in Fund Balances" in the middle column under September 30, 2014.

The Foundation's 2014 budget included raising an estimated \$5,000 in general fund contributions in order to pay for anticipated 2014 administrative expenses. To date, the Foundation has raised only \$2,130 for the general operating fund, and will need to raise the remaining \$2,870 in order to meet its operating expenses this year. In the event the target funds are not raised, the Foundation opened the year with approximately \$20K in surplus and will be able to use these funds to meet administrative expenses.

Discussion at the Donor Meeting of September 3, 2014 included a proposal to merge the operations fund with the Community Impact Fund, as money in both of these funds is overseen by the BICF Board of Directors, and the operating budget and the granting budget be funded from this fund.

This would simplify the accounting for the different funds significantly and is a return to the method of accounting used prior to 2013.

Recommendation to merge these funds should be considered by the Board, as there will be an ongoing need to seek donations from donors in support of the administrative costs of the organization. This is likely going to prove an ongoing challenge for the board to continue to operate on fund administration fees alone.

In October of each year, the Vancouver Foundation will distribute Investment Revenue earned on the Endowment Funds it holds on behalf of the BICF. These earnings will be reflected in the October Financial Statements, and in the Bowen Island Community Foundations Fund Balances as reported October 31, 2014.

During the Month of August, a further donation of \$1,000 was received towards the costs of the Vital Conversations program.

Expenses:

Administrative Expenses:

To date, administrative expenses are higher than expected, \$1500 expense for the marketing folders was not anticipated, nor were the \$558 costs to attend the Penticton conference. This should not be a problem however, as previously noted, the Foundation has adequate surplus to meet these unbudgeted expenses.

Grants to Date:

The following Grants have been paid to date:

\$4,000 to the United Church from the Community Chest Fund \$1500 Snug Cove House

\$30,000 has been transferred to the endowment funds held at The Vancouver Foundation:

The following amounts were transferred in June:

\$15,000 from the Maggie Cummings Fund \$4500 to the CHAC Fund \$7600 to the Sluggett Endowment Fund \$2900 to the BIGA Junior Golf Scholarship Fund

Program Expenses:

To date, the Vital Conversations program has incurred \$6,056 in expenses with \$2,640 yet to be recorded. \$5,000 was the planned expenditure.

Costs to print the Maggie's Story Book are \$4,136 and have been paid for out of the Maggie Cummings Fund.

Conclusion:

BICF Board of Directors should consider the proposed merger of the Operating Fund with the Community Impact Fund. This will ensure the ongoing and systemic challenges in finding adequate revenue to support the ongoing administrative costs of the Foundation will be addressed through an annual process whereby a modest administrative budget can be approved alongside an annual grant program budget out of the same fund.

Legal & Administration:

The Foundation filed its annual T3010 on June 25, 2014 and has received acknowledgement from the CRA.

Grants Committee Report

Prepared by Andrea Verwey on September 29, 2014 for the Board Meeting on September 30, 2014

The Grants Committee has two areas to report on: (1) the 2014 Vital Community Grants Program; and (2) Knick Knack Nook bursary and grants.

The 2014 Vital Community Grants Program

As at writing, the Grants Committee has received six grants proposals, and expects to receive more in the hours leading up to the deadline (we know of at least three that will be submitted), which is on Wednesday, October 1st at 9.00 pm. The six proposals received so far seek grant monies totalling more than \$28,000, and cover the areas of youth, seniors, housing, animal welfare, heritage/civic pride, and agriculture.

I will send the other member of the Grants Committee the complete package of proposals late on Wednesday, October 1st, and we meet on Friday, October 3rd to: (1) discuss them; (2) develop a short-list to be considered at the second level; and (3) agree on the additional information we require for each short-listed proposal.

Knick Knack Nook Re-Use-It Store Society bursary and grants

- 1. **Bursary** There is a 2013 KKN Bursary outstanding -- \$2,000 that was awarded to Carla Skuce for her studies at Royal Roads University. Carla delayed her studies until this fall, and having received a copy of her acceptance letter, we will pay the monies to the University on her behalf this month.
- 2. Sustainability grants The KKN received two applications for the latest round of sustainability granting that will be decided upon by the end of October 2014. Donna Scorer, President of the KKN Board, is convening a meeting of their grants committee for early October. I will sit with that committee, hoping to continue Joyce's process and decision-making support. Donna has also asked me to lead the KKN grants committee in a discussion about whether the criteria for these grants needs to be amended.

MEMO TO: Bowen Island Community Foundation Board of Directors

MEMO FROM: Kristen Watson, Treasurer

RE: YTD Financial Statements @ September 30, 2014

DATE: September 30, 2014

Revenues:

Year to date revenues received are recorded on the "Statement of Operations and Changes in Fund Balances" in the middle column under September 30, 2014.

The Foundation's 2014 budget included raising an estimated \$5,000 in general fund contributions in order to pay for anticipated 2014 administrative expenses. To date, the Foundation has raised only \$2,130 for the general operating fund, and will need to raise the remaining \$2,870 in order to meet its operating expenses this year. In the event the target funds are not raised, the Foundation opened the year with approximately \$20K in surplus and will be able to use these funds to meet administrative expenses.

Discussion at the Donor Meeting of September 3, 2014 included a proposal to merge the operations fund with the Community Impact Fund, as money in both of these funds is overseen by the BICF Board of Directors, and the operating budget and the granting budget be funded from this fund.

This would simplify the accounting for the different funds significantly and is a return to the method of accounting used prior to 2013.

Recommendation to merge these funds should be considered by the Board, as there will be an ongoing need to seek donations from donors in support of the administrative costs of the organization. This is likely going to prove an ongoing challenge for the board to continue to operate on fund administration fees alone.

In October of each year, the Vancouver Foundation will distribute Investment Revenue earned on the Endowment Funds it holds on behalf of the BICF. These earnings will be reflected in the October Financial Statements, and in the Bowen Island Community Foundations Fund Balances as reported October 31, 2014.

During the Month of August, a further donation of \$1,000 was received towards the costs of the Vital Conversations program.

Expenses:

Administrative Expenses:

To date, administrative expenses are higher than expected, \$1500 expense for the marketing folders was not anticipated, nor were the \$558 costs to attend the Penticton conference. This should not be a problem however, as previously noted, the Foundation has adequate surplus to meet these unbudgeted expenses.

Grants to Date:

The following Grants have been paid to date:

\$4,000 to the United Church from the Community Chest Fund \$1500 Snug Cove House

\$30,000 has been transferred to the endowment funds held at The Vancouver Foundation:

The following amounts were transferred in June:

\$15,000 from the Maggie Cummings Fund \$4500 to the CHAC Fund \$7600 to the Sluggett Endowment Fund \$2900 to the BIGA Junior Golf Scholarship Fund

Program Expenses:

To date, the Vital Conversations program has incurred \$6,056 in expenses with \$2,640 yet to be recorded. \$5,000 was the planned expenditure.

Costs to print the Maggie's Story Book are \$4,136 and have been paid for out of the Maggie Cummings Fund.

Conclusion:

BICF Board of Directors should consider the proposed merger of the Operating Fund with the Community Impact Fund. This will ensure the ongoing and systemic challenges in finding adequate revenue to support the ongoing administrative costs of the Foundation will be addressed through an annual process whereby a modest administrative budget can be approved alongside an annual grant program budget out of the same fund.

Legal & Administration:

The Foundation filed its annual T3010 on June 25, 2014 and has received acknowledgement from the CRA.
