It was proposed that the budget remain the same as in previous years, \$10,000. \$5,000 of this is anticipated from the Knick Knack Nook. • Louise McIntosh has been welcomed as a new committee member • discussion and approval of definitive grant criteria in accordance with the Constitutional Amendment • Spencer reported that the HH fund covered all groups and ages, that no one is falling through the cracks and that it is working well. • there are challenges in determining who these people are, yet maintaining anonymity, but overall the people who come to the HH, really need it. They do not assist with ongoing needs such as rent, rather quite often it is an urgent health issue. | <p>Action #2018-01</p> <p>The HH committee will review the "terms of reference". | | <ul style="list-style-type: none"> • he commented that the “impoverished or low income” definition can be construed in different ways. While they have no way to definitively determine this, however potentially low income could mean for the month or a temporary time period. Sometimes their discussion is over family money availability, legitimacy of hardship and so on. The board encouraged the HH committee to discuss with Larry and Soren if in there are issues with determining legitimacy. • discussion ensued around the wording on the Helping Hand Fund draft terms of reference drafted by Larry and strict adherence to every point. Spencer said the committee has concerns about their scope being narrowed around these 5 questions/criteria -- they want to continue granting as they have in the past, but appreciate the need to ensure they’re compliant. The board deferred to the HH committee for discussion and with Larry’s assistance, a draft will be forwarded to Michael Blatchford at Norton Rose. • this is the only year the budget wasn’t fully expended. • people can only apply once however on rare occasions a second grant has been funded. • the hiatus in funding availability created a bit of unrest. • Spencer was advised the structural change allows the Foundation to now issue cheques directly, that confidentiality is assured, with just Larry, the Treasurer/Chair being aware of recipients. • Spencer will be stepping down in a couple of months – Louise McIntosh will be filling his role. • Jo suggested a float be available at the General Store. • HH fund could have partial funds earmarked for other small charities such as food bank and Christmas hamper. We need to do due diligence around funding other organizations. Larry was asked to review both organizations and report back. <p>Decision #2018-02: “MOTION to approve the budget for the Helping Hand Fund of \$10,000 as proposed.” MOVED by Soren SECONDED by Holly.</p> | Bowen Island Food Bank and the Christmas Hamper (in anticipation of granting to them).
